Circumstances: Unknown. She was last seen walking her stepsister to school on East University Drive. She left behind her purse, ID and other personal items. She was not reported missing until April 17, 1995, by her aunt. She was last seen three days after she told Mesa police her father had been molesting her for five years. Child Protective Services placed her in the care of her stepmother, who said Mindi had helped her get her children ready for school the day she disappeared, but wasn't home when she returned from work.
