Alias/Nickname: Jay Grabert, Jay Bowens, Vince Bowens
Date of Birth: May 22, 1971
Height: 5'10"
Weight: 160 lbs.
Hair Color: Dirty Blonde
Eye Color: Hazel

Identifying Characteristics: He is balding. He has a scar on the corner of his right eye, and a 2" tattoo braided around his right arm. He sometimes wears glasses.

Circumstances: Grabert felt that he was a targeted individual from going on unauthorized websites. He was looking into wilderness isolated groups to join; he wanted to fall off the grid. He probably wouldn't use his Social Security number, CDL license, etc. He did disappear once, but came back in a few weeks. He was riding freight cars at that time. His mother thought that he would return and so took longer to report him missing. Because of this, his trail was not fresh. Grabert wiped all personal information and pictures from his mother's computer before he disappeared. His whereabouts remain unknown.
