

MISSING

Missing since November 23, 2000 from West Hollywood, CA

MICHAEL WILLIAM GRIMM

Age Missing: 33

D.O.B.: May 6, 1967

Height: 6'0"

Weight: 175 lbs

Hair Color: Brown

Eye Color: Blue

Gender: Male

Race: Caucasian

Identifying Characteristics: His head is shaved bald. Scar on tip of left thumb where it was severed and surgically re-attached. Green has a history of substance abuse. He was clean for several years, but relapsed shortly before his disappearance.

Circumstances: Unknown. Michael was last seen in Palm Springs or West Hollywood, California. He may have been sighted in Los Angeles and San Diego, California or in Florida. In January 2001, Grimm's family received an anonymous phone call stating that Grimm had been shot to death shortly after he disappeared. This information has not been confirmed, but investigators consider his disappearance suspicious and foul play is possible. His case remains unsolved, and is being investigated as a homicide.
