## RANDA DAVID JAWHARI

**Age Missing:** 42

**Alias/Nickname:** Brandi

**D.O.B.:** June 3, 1966

**Height:** 5'1"

**Weight:** 100 lbs

**Hair Color:** Brown

**Eye Color:** Brown

**Gender:** Female

**Race:** Caucasian (Lebanese)

**Identifying Characteristics:** She is a heavy smoker. She has a c-section scar, and missing molars. She has double piercings in both ears. She walks at a very slow pace.

**Clothing/Jewelry:** She may have been wearing a blue bath robe. She may also be wearing a brown jacket with white wool sleeves and a collar.

**Medical:** She suffers from bipolar disorder. She is HIV-positive and very weak. She requires medication and is considered to be legally incapacitated.

**Circumstances:** Unknown. Randa was last heard from when she spoke to her family via phone. She has not been heard from since. A family member checked her home on West Shiawassee Avenue the next day when she didn't answer the phone, and her bed had not been slept in and her personal belongings were intact. Police released a sketch of an unknown person of interest (*at left*). The man went with her to dental appointments five times in Fall 2008. He is in his 30's and clean cut. He wore a black leather jacket and silver neck chains. He is not considered a suspect in her disappearance, but investigators would like to talk to him. Her case remains unsolved.
