

MISSING

CHARLOTTE HEIMANN

Missing since October 30, 1981 from Rochester, NY

Age Missing: 27

Date of Birth: July 23, 1954

Height: 4'11" – 5'1"

Weight: 105-120 lbs

Hair Color: Brownish/Blonde/Red

Eye Color: Hazel/Green

Gender: Female

Race: White

Identifying Characteristics: Charlotte may have been pregnant at the time of her disappearance. Her right knee has a scar from surgery where a pin was added. Her right leg is shorter than her left leg, which causes a limp. She has a large space between her front teeth.

Clothing/Jewelry: Charlotte usually wore blue jeans and leather boots.

Circumstances: Unknown. Charlotte was last seen in Rochester, New York on October 30, 1981. Charlotte was a few months away from getting her Ph.D. at the University of Rochester, School of Medicine at the time of her disappearance. Charlotte had expressed concern about her safety because of a man she was afraid of. On the day Charlotte was last seen, a man was reported to have come looking for her. Charlotte stated that she would be going to her home, though she was afraid that the man may be there. That was the last time anyone ever saw her.
