freckles on her arms and pierced ears. She occasionally wore glasses and wore her nails long and well manicured.

Circumstances: At the time of Diana's disappearance, Diana was working two jobs from February 1981 until she went missing, at the No-Name Pub in Big Pine Key and another job at the Sugar Loaf Key Lodge, both in Florida. In the first week of July, 1981 Diana phoned a friend who lived in Michigan, from a house on Iris Drive in Big Pine Key, Florida. Diana stated to her friend that she could only speak briefly because she was worried about something illegal and dangerous happening at the "party house". Diana called her mother to discuss her trip to Michigan scheduled for August 15, 1981 to attend her sister's wedding and that was the last time anyone heard from Diana. Law enforcement suspects foul play was involved and they are investigating her disappearance as a possible homicide.
