Missing since June 3, 2001 from Cedar Rapids, IA

ERIN KAY POSPISIL

Age Missing: 15
Date of Birth: April 14, 1986
Height: 5'3"
Weight: 125 lbs
Hair Color: Brown
Eye Color: Brown
Gender: Female
Race: White

Identifying Characteristics: She has a small scar above her left eye. When she was last seen, Erin had red highlights in her hair.

Clothing/Jewelry: Light-colored tank top and beige overall shorts.

Circumstances: Unknown. Erin was last seen when she was given a ride by one of her brother's friends to a friend's house, but the friend was not at home. As Erin came from the house, a dark colored, early 1990's model Chevrolet Cavalier or Impala with tinted rear windows pulled up. Erin had a brief conversation with someone in the car and told her brother's friend that "these guys" would give her a ride. Because Erin seemed to know the occupant(s) in the car, her case was initially classified as a runaway. Her family believes that she was abducted. She did not take any personal belongings with her, and none of her friends have heard from her since she disappeared. The investigation into Erin's disappearance leans towards the theory that gang members in the areas of Cedar Rapids and Chicago, Illinois may have somehow been involved. She may have been seen in the spring of 2002 at a convenience store in Cedar Rapids, in the back seat of a car with Illinois license plates. However, police were unable to locate her or the vehicle.
