## KRISTIN DENISE SMART

**Age Missing:** 19

**Alias/Nickname:** Roxy, Scritter

**Date of Birth:** February 20, 1977

**Height:** 6'1"

**Weight:** 145 lbs

**Hair Color:** Blonde

**Eye Color:** Brown

**Gender:** Female

**Race:** White

**Identifying Characteristics:** She had a tan at the time of her disappearance.

**Clothing/Jewelry:** Light gray cropped T-shirt, black nylon running or surfing shorts, red and white Puma athletic shoes.

**Circumstances:** Unknown. On May 25, 1996, Kristin was a student at California Polytechnic State University near San Luis Obispo, California. She was last seen just before 2:00 a.m. walking to her dorm room with Paul Flores, a student who reportedly had just met Kristin at an off-campus party. Both had reportedly been drinking alcohol. Flores has said that he separated from Kristin near his dorm room, and that she walked to her dorm room alone. Kristin did not return to her room and has not contacted family or friends since that time. Flores was reportedly seen with a black eye later that day and when questioned about Smart's whereabouts by authorities, he claimed that he continued to his own dormitory and last saw Smart on Grand Avenue. Flores told several different stories to law enforcement about how he received his injury. Flores is the prime suspect in Smart's disappearance, but authorities do not have enough evidence to charge him in the case. Foul play is suspected due to the circumstances involved.
