Circumstances: Kyles was reportedly last seen getting into a black Pontiac Vibe on Portage Street in Kalamazoo on September 8, 2007. Prior to her disappearance she called her daughter LaJoya Newton several times daily to check in on her and her 11-year-old grand-daughter. Police had hoped Kyles' food-stamp card would have been helpful in tracking her whereabouts. Unfortunately the card had not been used since her disappearance. Police have said that Renee's disappearance is highly suspicious. Renee's daughter, LaJoya Newton, and Renee's sister Angelia Ridley found Renee's Toyota Camry in the 1900 block of Portage Street on September 19, 2007 on Renee's 54th birthday.
