Case #: Unknown

NamUs Case #: MP61679

Identifying Characteristics: His hair and beard may have grown out since he has been missing as he sometimes forgets personal hygiene, due to memory issues.

Circumstances: Leroy has been missing since October 11, 2019. An extensive search of his home and surrounding property revealed no signs of foul play; his wallet, glasses, credit cards, checkbook, phone, and favorite black sweatshirt were all found inside the residence, as well as his medication. All vehicles and motorized farm equipment he has access to have been accounted for. There has been no bank activity, and no contact with anyone since October 10, 2019.
